WHY JOIN THE WELLSPRING?

The Wellspring is Reconciling Ministries Network’s community of recurring donors. The Wellspring makes it possible for us to do the work we do.

While policy may change the Church, it doesn’t change hearts and minds for LGBTQ justice. Relationships do that. Study and storytelling do that. Individual RUMs, alongside our family of Reconciling ministries, are needed to influence this important shift.

All of that is the ongoing, long-enduring work of Reconciling Ministries Network. Over 600 people have committed to recurring giving, and our community is growing as more people learn about what RMN does for LGBTQ people around the world. You can join, too, at:
