

The Board of Directors of the NOLA Wesley Foundation announces the following opportunity available starting July 6, 2026:

Campus Minister/Co-Director

About NOLA Wesley

NOLA Wesley is the Progressive Christian Ministry serving Tulane and Loyola's student communities, located in Uptown New Orleans, supported by the United Methodist and Presbyterian Church. We are open to people of all faiths who want to spend time in Christ-centered communities. Our mission is to accept, become, and share Christ's love by building an inclusive community rooted in faith and justice. We are a proud member of the Reconciling Ministries Network, which advocates for the full inclusion of people of all sexual orientations and gender identities in the United Methodist Church.

Our Core Values

Open Table: We believe in grounding our lives in community, so we start our week centered around dinner and worship on Sunday nights.

Safe Space: We believe in creating safe spaces for students with a diversity of spiritual journeys where no questions are taboo. We have a variety of offerings which may include book studies, scripture, and prayer services.

Changed Lives: We accept everyone the way they are, and we also expect that our lives will be changed by Jesus, so we challenge each other to grow spiritually.

Transformed World: We believe that God wants to transform the world through us. To this end, we seek ways to be of service and fight for justice in the New Orleans community.

In addition to scheduled weekly programming, Wesley's building is available for studying, hanging out, movie/game nights, and prayer/meditation. We have a student lounge, study room, a back patio, and 2 dorm-style rooms that can accommodate up to 4 residents.

NOLA Wesley also contains a daytime café, *The Labyrinth*, a designated 1001 New Worshiping Community with the Presbyterian Church. Fundraising

NOLA Wesley is jointly funded by the Louisiana Conference, Presbytery of South Louisiana, 1001 NWC, and donations from supporters and local churches. Wesley raises a portion of its budget every year through local church outreach and online platforms such as Facebook, Patreon, and Donorbox. Additional funding from grants, one-time gifts, and fundraising drives enables a variety of programs. Though the board tries to spearhead these efforts, the campus minister serves as the “face” of Wesley. Being able to articulate a compelling vision to potential donors and being comfortable asking for money to make that vision reality are key.

Salary is commensurate with credentials and experience (~52,000 starting range). Insurance and pension through the Louisiana Annual Conference is provided for qualified clergy.
